2. Members who completed a full season as an **Age Group Manager** in the **previous year** will receive a **\$25 rebate**.
3. Members who trained a minimum of one course as an **Accredited Trainer** or who assessed a minimum of one external courses as an **Accredited Assessor** in the **previous year** and will receive a **\$30 rebate**.
4. **Patrol Captains** who completed their minimum patrol requirements the previous season will receive a **\$40 rebate**

5. Members who completed a **full season** as an **Office Bearer** in the **previous year** will receive at **\$50 rebate**.

NB: Only **one** discount will apply to membership fees – the **highest** eligible discount will apply

Explanatory Notes for Memberships

1. Memberships General

The surf life saving season runs from October to April each year with registration day taking place in September. All fees are payable by the ***31st October of the current year***. If requested by the Administration Officer, original Driver's Licence, Birth Certificate or Statutory Declaration confirming date of birth needs to be cited for all new members and members transferring. All new members and transferees will be approved by the current Club Committee before membership is activated.

2. Active Membership

Active members are those members who: have completed a Surf Life Saving Award and are required to undertake patrolling duties, or who are age group managers or who are members of the management committee or sub committees.

3. Family Memberships

At least one parent or guardian is required to join with Nippers/Cadets (5-15 yrs) and must be present on the beach for all nippers up to 13 years of age during their participation in all club activities. Family memberships apply to children up to 18yrs of age

4. Age Groups

All age groups are determined by age at midnight on the 30th September. (eg – youngest members must be 5 years of age by midnight 30th September to be eligible for membership.)

5. Non-payment of fees

For Insurance purposes all memberships must be paid by ***31st October of the current year***. Members who haven't paid by this date will be unable to join in with beach activities until membership fees are paid and membership is activated.

6. Associate Membership

This includes social membership and is available to members 18+yrs. These members do not hold an award and are allowed access to club functions and facilities but do not have voting rights.

7. Mid-Season Memberships

Memberships will continue to be accepted during the season however payment of fees as set out above must be made in full prior to joining in beach activities.

EDUCATION FEES (in addition to membership fees)
